Dear Member,

It is with great pleasure that the IMTA Asia Pacific Board wish to announce that the Asia Pacific Region Map Awards are being held again this year. Entries will be judged and displayed at the IMTA Conference and Trade Show to be held at the Novotel on Collins, Melbourne Australia on the 18-19<sup>th</sup> June 2010.

The awards are open to all IMTA Asia Pacific members with the winners being announced at the annual dinner at the Novotel on Collins in Melbourne on the 18<sup>th</sup> June 2010.

This year the awards are to be judged in six categories

- Sheet Maps
- Book Based Product
- Tourist/Free Publication
- Map Related Products
- Computer Based Products
- Internet Website

Members can enter each category up to four times.

The 'Graham Stanton Award for Excellence' will also be presented and will be judged from the above categories. All entries submitted into the above categories will automatically be eligible for this award.

I encourage all members to submit entries for the awards as this is a great opportunity for your company to gain recognition and extra exposure for your products and skills through the award program. Should your company win an award you are entitled to promote your winning entry as an **'IMTA Award Winning Product'**.

#### **New Global Award in 2010**

The Overall winning entry from the IMTA (Asia Pacific) region will **automatically** be entered for the IMTA Global Award. This award will be issued once a year. The Overall winning entry from the three IMTA regions will be judged by the three regional Presidents with the International President holding a casting vote if required. The selection from among the three regional entries will receive the International Map Trade Association's highest accolade which is the IMTA Global Award.

The Map Award Application Form is attached with this letter, so please send in your entries by the 31<sup>st</sup> May 2010 to be a part of these prestigious awards.

Good luck!

A handwritten signature in blue ink, appearing to read 'Peter Davis', with a horizontal line underneath.

Peter Davis  
President  
IMTA (Asia Pacific) Region
